## Farmhouse Meets French Country in a Unique Design

This home uniquely unites the French Country style with traditional Farmhouse detailing to create a truly charming abode. Spacious living room with fireplace and large dining room right off the kitchen; a back screened-in porch, sunroom and covered front porch offer options for entertaining or relaxing. Two home office spaces—one for parents on the main floor and another large study alcove for kids upstairs—are designed to allow high-tech families to surf in peace.

### Total Living Area: 3466 sq. footage
